

Pict-o-Crypt™

Protect yourself,
your photographers,
your photos and
your privacy!

For some
photographers,
unexpected camera
searches can be
dangerous and
costly.

Now you can
securely encrypt
your photos as soon
as you take them
with this small,
simple to use,
discreet device -
without a computer!
Then, decrypt files
with a windows
based PC when
you're ready to view
them.
